ROXIE, MISSISSIPPI

Dedication

For more than a quarter of a century, Roxie High School has stood as a center of learning in our community. Hundreds of students have gone out from this school to take their places in colleges, vocations and jobs. The records of achievement which they have left behind and the measures of success which have come to them, indicate that Roxie High School was and is an institution of learning of which any community might be proud to call its own.

Yes, Roxie High School stands as a monument to education. Figuratively speaking, we may say that its protecting walls have been a shield against the ill winds of illiteracy; its doors have opened the way to learning; its windows have let in the light of knowledge and truth; its roof has withstood the storms of intolerance. Within its walls, its warmth has served as a friendly hearth, radiating trust and friendship among students and teachers.

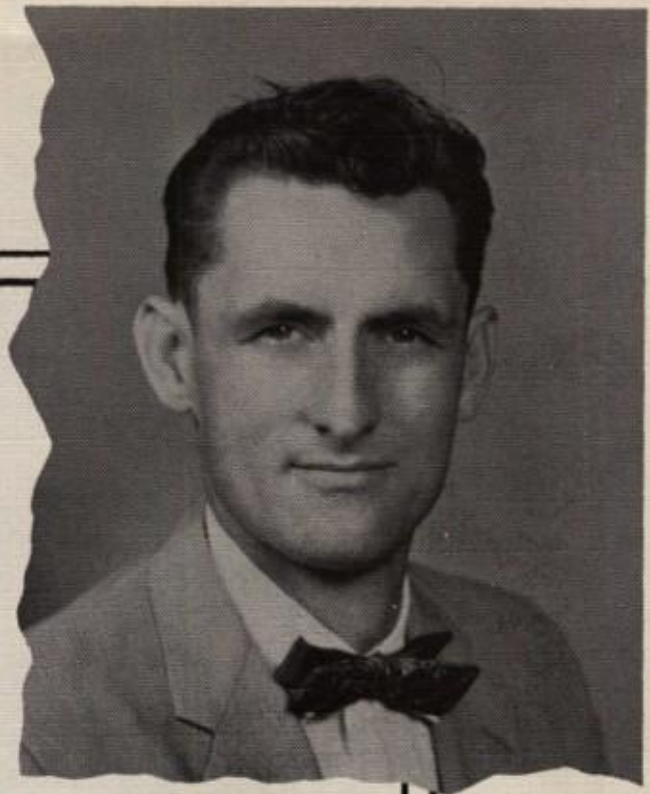

And so - in appreciation to all who have helped to maintain Roxie High School, to the administration which sponsored our education, to every teacher who has taught in the class rooms, to the principals who have guided us, to the parents and patrons who have inspired us, to this community which has supported us, and to every wholesome and uplifting influence which has helped to make Roxie High School what it has been and is - we, the editors of the Tiger Talk, dedicate this Annual.

Principal's Message

As you go out from Roxie High School to take your places in the various fields of endeavor, I trust that your activities will creditably reflect the worthwhile precepts which your school has undertaken to teach. Yours is a special responsibility - to uphold a superior tradition of scholarship, to strive to become a well rounded citizen, and to adhere to only those practices which will develop you physically, mentally and morally.

It has been a distinct pleasure and privilege for me to work with you this year and I extend to you, each and every student, my sincere good wishes for a useful and happy future. Success and happiness can be yours! As your guide to success and happiness, may I say-

Four things a man must learn to do,
If he would make his record true;
To think without confusion clearly,
To love his fellow man sincerely,
To act from honest motives purely
To trust in God and Heaven securely.

Sincerely yours

Class Will

We, the Senior Class of Roxie High School, in this year of 1957 to 1958, being in reasonably good health and of doubtfully sound mind, realizing the uncertainty of grades and the vacillating dispositions of our faculty members, do hereby make this, our last will and testament.

I, Susie Worley, will my ability to "Goof" to Carolyn Prather, who is as big a mess as I am.

I, Frank Webb, leave my curly black hair to Br. Young who needs any type of hair.

I, Bobby Farrell, will my shyness to Wayne Hester because he needs it.

I, Alline Childers, will my ability to ask dumb questions in Mr. Hadskey's History class to anyone dumber than me.

I, Ginger Dickerson, leave whatever I have, if I have anything, to whoever needs what ever I have and can do anything with whatever this thing is.

I, Dan Ashley, wish I had something to leave but circumstances as they are I need all I've got and more too.

I, Gary Mooney, leave my ability to strut after scoring a point in basketball to John Neal Brown.

I, Carroll Graves, leave 20 pounds of unneeded weight to Robert Brown.

I, Billy Smith, leave my wonderful fan club, (all girls), to James Miller because he loves girls.

I, Lamar Dove, leave all my worldly charms to David Thomas.

I, Robert Aldridge, do not leave anything, I am just thankful I got out.

I, Calvin Young, leave my nickname "Goat" to anyone who can take the treatment I did.
